

SPEAKER LUEDTKE: Unless the Speaker is overruled by this body, the Speaker is going to rule that way, particularly when he is in the Chair.

SENATOR MILLS: I am not trying to disturb this. I realize your position.

SPEAKER LUEDTKE: If you get me out of the Chair, maybe you can get some other ruling, I don't know but that is the ruling you are going to get on this particular matter because I recall specifically that there were bills excepted from this which were the deficiency bills and the Speaker had no intention of putting those over until March 15th.

SENATOR MILLS: I will go over it with you. I don't want to cause any delay here, Mr. Speaker. I do disagree with you.

SPEAKER LUEDTKE: All that you have to do is move to overrule the Speaker because the Speaker's order can be decided by 25 votes here on the floor anytime so that is up to you.

SENATOR MILLS: I do not choose to do that. I would like to review it with you later, personally.

SPEAKER LUEDTKE: Okay.

CLERK: Mr. President, we have two reports could I read in before we go to LB 38. Your committee on Enrollment and Review reports we have examined and reviewed LB 410 and find the same correctly enrolled; LB 477 correctly enrolled. Signed Sam Cullan, Chairman.

SPEAKER LUEDTKE: While the Legislatue is in session and capable of doing business, I propose and do sign LB 410 and LB 477. Anything else, Mr. Clerk.

CLERK: That is all, Mr. President.

SPEAKER LUEDTKE: We will proceed, then, with LB 38.

CLERK: Mr. President, LB 38. Read title. Mr. President, there are some amendments. There are committee amendments offered by Senator Barnett's Judiciary Committee.

SPEAKER LUEDTKE: The Chair recognizes Senator Barnett.

SENATOR BARNETT: Vince, if I could, I don't know how to start this. This is a little bit unusual, Mr. Speaker. It is going to take more than the five minutes that is allotted to start with.

SPEAKER LUEDTKE: The introducer gets 10 minutes according to our rules anyway.

SENATOR BARNETT: Okay, I think I can probably do it in that.

SPEAKER LUEDTKE: All right, you have ten minutes.

SENATOR BARNETT: I want to talk to the amendments that the Clerk is talking about. Vince, we will take just the ones
